**REQUEST FOR STATUS OF AUTHORIZATION FOR MED-LEGAL DIAGNOSTICS**

Dear Mr. Goines:

As you are likely aware, my office represents *Jonathan Shockley* with respect to the above-referenced workers' compensation matter. We are writing as QME Dr. Stoller advised, by way of the attached report, a bilateral upper extremity NCS/EMG and cervical MRI is required.

Please note the bilateral upper extremity NCS/EMG and cervical MRI is not medical treatment under Labor Code § 4610 but is instead medical-legal in nature under Labor Code § 4062.2 as the QME indicates the bilateral upper extremity NCS/EMG and cervical MRI is needed to determine one or more medical-legal issues in Mr. Shockley's case.

Accordingly, we are demanding written authorization for the medical-legal services of the bilateral upper extremity NCS/EMG and cervical MRI.

Thank you for your attention to this matter. Should you have any questions or concerns, please do not hesitate to contact our office. Absent satisfactory response in 10 days, we will file a Declaration of Readiness.

Very truly yours,
